National Librarians' Day 2025

at

Jaipuria Institute of Management, Indore

On August 12, 2025, the **Library department** of Jaipuria Institute of Management, Indore under the guidance of **Dr. Vinita Atre (Librarian)** and with the support of the Programme Management Committee- hosted a special celebration for National Librarians' Day, honouring the birth anniversary of **Dr. S.R. Ranganathan**, the Father of Library Science in India.

The event began with an inspiring address by **Dr. Deepankar Chakrabarti, Director**, who spoke passionately about Dr. Ranganathan's groundbreaking contributions to establishing Library Science as a discipline. He explained the Colon Classification Scheme and its global impact and also discussed the Dewey Decimal Classification (DDC) system used at the institute's library. Drawing clever parallels with India's PIN codes, Aadhaar numbers, and the Mumbai Dabbawala network, **Dr. Chakrabarti** demonstrated how classification systems enhance efficiency in diverse domains.

The **House of Wisdom** won the **ResourceX Mini Magazine Challenge at National Librarians' Day** in Jaipuria, showcasing their creativity and ability to connect knowledge with imagination. They created a magazine with a central theme of **"Shaping India's Future,"** featuring articles on the Reserve Bank of India's role in driving economic growth and **motivational quotes about India's progress.** Their success not only celebrates their talent but also sets a benchmark for blending intellectual depth with artistic expression, embodying the spirit of Explore, Connect, Innovate.

The celebration beautifully blended academic depth with creative expression, leaving everyone inspired to think differently and appreciate the power of classification in streamlining knowledge.

Team Media Relations Committee for the Event Coverage:
