AIGNNITE 2025
at
Jaipuria Institute of Management, Indore

On 20th September 2025, the **Business Analytics Club of Jaipuria Institute of Management, Indore**, under the guidance of **Dr. Manohar Kapse**, Chairperson of the Business Analytics and Operations Club, and **Dr. Pooja Kushwaha, professor of business analytics**, with active contributions of junior coordinators **Aman Pandey** and **Manu Jain**, successfully coordinated and supported students during the **final pitching round of AIGNNITE 2025**: Cracking Business Challenges with AI. Before this, an initial online screening round had been conducted, where shortlisted teams advanced to compete in the final pitching session. The event was hosted live by the **AI Committee of Jaipuria Institute of Management, Lucknow** through Zoom, with faculty support from **Dr. Subhadeep Sircar** and **Dr. Amit Trivedi**, along with **Ms. Ridhi Gandhi**, President of the AI Committee. This round offered students a national platform to present AI-driven business solutions before an esteemed panel of judges, significantly enriching their learning and industry exposure.

AIGNNITE 2025, held under the flagship initiative Nextillegence: The Power of AI, aimed to challenge participants to solve real-world business problems through innovative AI-driven solutions. The competition witnessed enthusiastic participation from students across all Jaipuria campuses, making it a truly collaborative and knowledge-driven platform. Designed to test both analytical depth and practical problem-solving, the event encouraged participants to integrate technical expertise with managerial decision-making. From the Indore campus, **four finalist teams – Data Stormers, Aldea Squad, Jaipuria Challengers, and Apex-** represented with distinction, presenting their solutions with clarity, creativity, and confidence. Their presentations not only reflected a strong command of AI applications but also highlighted the importance of teamwork, strategic thinking, and communication in addressing contemporary business challenges.

The event proved highly beneficial as it not only encouraged students to think strategically and approach problems with innovative solutions but also enhanced their **confidence, teamwork, and presentation skills**. By competing on a national stage, students gained exposure to diverse perspectives, preparing them to become **future-ready leaders**. For Jaipuria Indore, this achievement reaffirmed its commitment to promoting a culture of **innovation, academic excellence, and industry relevance**.
