## Corporate session - Investor's lens on Financial Statements at Jaipuria Institute of Management, Indore

On 4th October, 2025, the first-year students at Jaipuria Institute of Management, Indore, attended an insightful session titled **“Investor’s Lens on Financial Statements – How Private Equity Reads Accounting Numbers.”** The session was conducted by **Mr. Anuranjan Mohnot, Managing Director & CEO of Lumos Alternate Investment Advisors Pvt. Ltd.**, and masterfully coordinated by **Dr. Amit Shrivastava, Professor - Accounting & Finance**. Mr. Mohnot shared his expert views on how investors interpret financial statements to make informed decisions, combining theoretical knowledge with practical insights from his extensive experience in law, finance, and private equity.

The screenshot shows a Zoom meeting interface. On the left, a presentation slide titled "Investor's Lens on Financial Statements - How Private Equity Reads Accounting Numbers" is displayed. The slide lists the Guest of Honour as Mr. Anuranjan Mohnot (MD & CEO, Lumos Alternate Investment Advisors Pvt. Ltd.) and the Coordinator as Dr. Amit Shrivastava. A diagram in the center of the slide illustrates the relationship between various financial metrics and Private Equity. On the right, a grid of participants is visible, including Sanskar Lamba, Anuranjan Mohnot, Garvit Tiwari, Devashish Sharma, Hardik Shrivastava, Himanshi Sohana, Sayli Najwale, and others. The bottom of the screen shows the Jaipuria Institute of Management logo and contact information.

### Session Highlights:

- **Deal-Making Process:** Understanding the critical stages before, during, and after an investment deal.
- **Due Diligence Framework:** Evaluating promoters, business models, cash flows, and overall financial credibility.
- **Sector-wise Accounting Insights:** Analysis of valuation techniques, contingent liabilities, and accounting policies specific to different industries.
- **Strategic Financial Planning:** Linking accounting data to risk assessment, value creation, and investment decision-making.

The session witnessed enthusiastic participation from students, who engaged actively throughout the discussion. It provided them with a holistic perspective on how private equity professionals read between the lines of financial statements to evaluate business potential and risk. Overall, the session successfully bridged the gap between classroom learning and real world financial decision-making, offering a truly enriching and practical learning experience.
